        The Rainbow Goblin (or RG) is a
        rarely-seen, rainbow-colored version
        of the Treasure Goblin. Rainbow
        goblins drop gold and items and
        behave exactly as a normal Goblin
        does. Their special attribute is a
        chance to create a rainbow portal
        when they die, which lets players
        enter Whimsydale, a special version
        of the Whimyrshire secret easter
        egg level. Rainbow Goblins spawn
        in all areas of the game, including
        Nephalem Rifts where they may be
        part of larger Goblin packs. Like
        all Goblins, they will not appear
        in Greater Rifts, though.
